## Kilim - Printed Velvet Collection

If you like pleasant, embracing colours and exotic home accessories from all over the world, our Kilim collection has the ideal style to match your aesthetics. These vibrant colours will bring life to your space, and the geometry will break the monotony of the overall decor as, Minimal is the New Basic

*Craft With Elegance*  
“Artfully blending style and design”

# SJ

SPLENDOR . STYLE . LUXURY

Kilim is the elegance of an aesthetical verbal exchange between art and textile design, with a crafty feel to lively velvets nicer prints of staggered stripes, a mist of hazy horizon chevron design, Patch work design pattern and striking design printed on ravishing velvet in a flawless meeting of flowability and expressional drape-ability.
